Chairman's message

A Warm welcome to Osaka Group !!!

The travel management company since 1993 !!!

We at Osaka Group, are committed to provide services with great quality and uniqueness in the travel industry. Osaka Group has six vertical companies. Among these, four have focused their entire services/product portfolios exclusively on the travel trade. The 5th company provides high-end quality overseas education consultation globally. 6th company is on a mission to add values to life (ie. charitable and social activities).

As you all know, the world is on the edge of a great revolution in Artificial Intelligence and Quantum Computing. Based on this revolution, Osaka Group wants to be an MNC before 2025 by opening offices on six continents. On a mission to have a global revolutionary product from 2021 onwards through our Global portal. Osaka Group is introducing for the first time in the world A GLOBAL TRAVEL HYPER MARKET, Osaka Connect Dot Com Pvt. Ltd. with 24+ travel services and products is more of a mission rather than a company set to bring the required digital transformation and empowerment with the technology that the industry requires for the customers of the future. With an eye on the updates in the industry, Osaka group is committed to adapt to the same by reinventing modes of operation, service delivery and customer engagement. We are also grateful and thankful to all our supportive customers spread over 80+ countries.

The World is wide open but very close in terms of technology.

What we think, we become.

We are committed to serve you to have unique experiences in travel & education.

Wish you happy moments, in each and every second of your life.
